- macOS High Sierra (10.13)
- macOS Sierra (10.12)

## Supported Microsoft Windows versions

- Windows 10
- Windows 8.1
- Windows 7

## About Paragon Software Group

For over a generation, Paragon Software Group has been delivering a wide range of software tools, solutions, and technologies. Our offerings range from low-level storage management and file system drivers to safekeeping and recovery of operational, business, and user data across heterogeneous platforms and environments.

With Paragon Camptune, Mac users can resize a Boot Camp Windows partition with a simple slider. The tool provides a secure and easy way to adjust the partition when the user runs out of disk space or wants to install a storage-hungry application.

## Who benefits?

Home users, computer technicians,  
IT administrators

## Highlights

- Simple redistribution of storage space between Mac and Windows
- macOS 14 Sonoma Support
- Fusion Drive, System Integrity Protection and APFS support
